

		BC Liberals	NDP	Greens
Income	<i>Minimum wage</i>		Plans to increase minimum wage to \$15 by 2021, and will index it to inflation each year after.	Bring a new minimum wage January 2018. Will create a Fair Wages Commission to report on the state of income.
Education and training	<i>Secondary and post-secondary</i>	Will create 1,000 new science, technology, engineering, and math openings in post-secondary education by 2022 and an additional 1,000 afterwards.		Invest \$30 million to the agricultural sector, which includes apprenticeship programs at the secondary and post-secondary levels.
	<i>Skills training</i>			Allocate up to \$10 million annually for in-service skills training for workers in small and medium-sized enterprises, and retraining for those displaced by automation or changing markets.
	<i>Additional support</i>	Provide \$15 million to create the LIFT (Low Income Families in Transition) pilot program to give temporary assistance to low-income single working parents so that they can upgrade skills.		

		BC Liberals	NDP	Greens
Job creation	<i>Forestry</i>	Promises to increase wood fibre utilization by one million cubic metres by the end of 2018, supporting 500 jobs.	Create jobs in forestry by funding reforestation programs.	
	<i>Construction</i>	“Tens of thousands of construction jobs” supplying goods and services to Site C.	Create 96,000 construction jobs by updating infrastructure.	
		Create jobs with growing LNG (e.g. approved Woodfibre LNG will create 650 jobs during construction and 100 operational jobs over the lifespan of the project).
